

Generation 2

300nodes
20apps

A scatter plot representing the network state at Generation 2. The plot area is mostly white. In the bottom right corner, there is a dense cluster of blue circular nodes. Several orange circular nodes are scattered around this cluster. A red 'X' is positioned on the left side of the plot. In the top right corner, the text '300nodes' and '20apps' is displayed. In the top left corner, the text 'Generation 2' is displayed next to a small icon of three overlapping circles (blue, orange, blue).
